

Financial and Managerial Accounting

Financial and Managerial Accounting, Binder Ready Version is a new introductory program for the two semester accounting sequence that presents equal coverage of both introductory financial and managerial accounting topics. The Team for Success authors of Jerry Weygandt, Paul Kimmel, and Don Kieso bring years of industry, academic, and writing experience to the development of this new title which gives students the tools they need to understand the accounting cycle and key financial accounting topics, while presenting the managerial topics in an easy-to-understand fashion. This text relates accounting concepts to real-world experiences, is full relevant examples to students lives, and provides IFRS coverage that will prepare students for the global economy. This text is an unbound, binder-ready version. WileyPLUS sold separately from text.
