

What do you do in a Drawing Room? Adventure into a world of magical and mischievous Art... Age 7 8 9 10 years [English] (SMART READS for Kids (Fiction))

Welcome to this SMART READS for Kids Fiction Book, a fun adventure novel which introduces children to the inspirational world of Art. ABOUT THIS BOOK Leo is an ordinary boy who dreams of being an explorer, but when his Grandma gives him a special painting he ends up on a magical and multicultural adventure that is far more than he bargained for. Join Leo on a quest to find his way home from a very mischievous house with enchanted slides, cheeky squirrels, sneaky swings and slimy snot. Cringe as he dodges The Dumb Waiter, battles with a wacky never-ending staircase and much more. In Leos company youll discover that at the end of the rainbow there is not only treasure, but the greatest treasure of all. First and foremost this is an exciting, fast moving adventure story. Woven into the plot and waiting to be discovered, however, are over twenty famous works of art from Michelangelo to Monet, Fragonard to Fuseli and Vermeer to van Gogh. All the illustrations are large, high resolution, full colour images. FOR THOSE WITH GREYSCALE KINDLES all the book illustrations are also in a colour slide show available on the SMART READS for Kids web pages. A password to access this is given at the back of the book. (There is also a test slide show online so that you can try before you buy visit www.theportraitplace.co.uk and select Hardware Solutions from the SMART READS for Kids dropdown menu).
