

## Fire in the Sea

Sadie is sixteen and bored with life. Its summer, and lazing on the beach in the stifling heat with her cousins and Tom is a drag. Then something comes out of the sea. Sadie soon finds herself caught in the middle of an ancient conflict that is nearing its final battle, a showdown that threatens to engulf her city and all those she loves in a furious tsunami. A rollicking, fast-paced adventure with a feisty heroine, *Fire in the Sea* will appeal to fans of Garth Nix and *Doctor Who*. Great reading for ages fourteen and up. Myke Bartlett was born in Perth on Australia's remote western coast and spent his first twenty years trying to escape. Like every other young Australian, he fled to London and, like most of them, didn't stay. He currently lives in Melbourne and is working on a sequel to *Fire in the Sea*.
