

Folly

Three fates intertwine in this moving and passionate love story set in Victorian London. Mary Finn: country girl, maid to a lord in London. Caden Tucker: liar, scoundrel, and hearts delight. James Nelligan: age six, tossed into a herd of boys. When Mary Finn falls into the arms of handsome Caden Tucker, their frolic changes the course of her life. What possesses her? She's been a girl of common sense until now. Mary's tale alternates with that of young James Nelligan, a new boy in an enormous founding home. In *Folly*, Marthe Jocelyn's breathtaking command of language, detail, and character brings Victorian London to life on every page, while the deep emotions that illuminate this fascinating novel about life-changing moments are as current as today's news.
