

Lawyered

Discovering that you dont have everything you thought you wanted is a surprise. Getting a promotion, finding new friends, learning you are attracted to women. Nia Toyomoto has worked hard all her life to prove she was the best; she graduated early from high school, college, and got the dream job in Manhattan. Becoming a partner at the tender age of thirty she thought she had it all until the law firm made demands about her personal appearance and a few other things that made her change her life for the promotion. Then she realizes having everything isnt all that it is cracked up to be without someone to share it with A successful lawyer in the big city, choices have to be made, sacrifices and surprises await this beautiful and talented woman.does she make the right ones though?
