

Lessons for a Sunday Father

Its never too late to grow up...This is the story of: Scott, who finds his belongings outside in a bin bag one day and realises he may have made a big mistake; Gail, who wishes her husband were under guarantee so she could send him back and get a refund; Nat, who discovers that growing up isnt all its cracked up to be; Rosie, who just wants her Dad back - or if not, then at least some new glitter nail polish; four lives, one story: love, loss and learning to be a grown-up.
