

Alaska, with Love

Josh Montgomery is a red-blooded American male that loves his job and loves women even more. Part of an elite team run by General Derek Jacobs, Josh and his fellow assassins take pride in their jobs. When one Assassin gig turns into a rescue mission on the side, Josh's life is turned upside down by the man he rescues. Now, he has to take a good long look at who he really is. With the help from his friends Mateo, Riley and Troy, Josh tries to understand what he's feeling. Mark Patterson joined Doctors without Borders to do good in a foreign country. Little did he know a maniacal drug lord would kidnap him and use him to deal drugs. Without any hope of rescue, Mark resigns himself to his prison. Until early one morning when he's rescued by a blonde God. Josh Montgomery is tall, light and beautiful....and straight. Being in close quarters only makes things harder on both men, will Mark get his man? Will Josh take a chance.... In the wilds of Denali Forest the two men come together, but is it for good? Or will Mark's past drive them apart?
