

# From Shield to Storm: High-Tech Weapons, Military Strategy, and Coalition Warfare in the Persian Gulf

From the acclaimed authors of *A Quick and Dirty Guide to War* comes the first full account of what really happened during the Persian Gulf War. It reveals the details of the immense operation; of Iraq's war; of the problems of the Gulf; and hardware earned their huge cost, and which didn't; what the media was not allowed to report; and what prolonged the war, and hastened its end. 8 maps; 20 charts.
