

## Prelude (The Creatura Series Book 1)

Deus, the creator of the universe, is almighty and powerful until he uses his abilities to mold a companion. His newest creation, Starr, proves to be as wild as the animals that inhabit Terra. There's no controlling her. To make matters worse, she hates Deus. So what's the one boy in the universe to do when the one girl in the universe loathes him? The only illogical thing to do. He falls in love.
