

The Fulfillment

Laylas world tumbles out of control when she discovers the truth of her parentage and realizes the Prophecy--the one she upended her entire life to defend--is incomplete. When her new friends share the entire Prophecy, the revelations contained within it alter her destiny and challenge everything she and Wil believe in. Now, she must confront the Outlander queen to save the Ethereal kingdom while grappling with this new reality. Tortured and imprisoned, Nash accepts his fate and offers the First Ones the one thing he has left to give: his life. In a desperate attempt to save the people he loves most, he surrenders himself to the Outlander queen and a destiny darker than he could have ever dreamed possible. Wil, tormented by the consequences of his choices, realizes he may never be able to uphold his end of the Prophecy. His mistake casts a deep, foreboding shadow over his kingdom and those he loves, while its ripples threaten to shatter both the Prophecy and everything he and his family have sworn to protect. In this epic conclusion, lives are lost, kingdoms clash, friendships are tested, and love and fate collide.
