

Pure

We know you are here, our brothers and sisters. We will, one day, emerge from the Dome to join you in peace. For now, we watch from afar, benevolently. Pressia Belze has lived outside of the Dome ever since the detonations. Struggling for survival she dreams of life inside the safety of the Dome with the Pure. Partridge, himself a Pure, knows that life inside the Dome, under the strict control of the leaders regime, isnt as perfect as others think. Bound by a history that neither can clearly remember, Pressia and Partridge are destined to forge a new world.
