

## The Awakening (The Huntress Series) (Volume 2)

After barely surviving the battle against her father and the hunters she once called family, chaos in Athena Brams life ensues once more as an unknown threat is foreseen, leaving her and her friends defenseless and powerless against whoever it is that is coming. In the midst of danger ahead, her nemesis returns for revenge, only the threat against her life is far more sinister than Athena had anticipated. The world around her begins to darken and crumble once again as she endures the familiar pain of heartbreak, loss, and betrayal while she fights to protect the ones she loves and races against time to keep her own self alive.
