

## Grailstone Gambit (Outlanders)

A deadly trutha When Victor Holland comes flying out of the night, he runs straight into the path of Catherine Weavers car. Having uncovered a terrifying secret which leads all the way to Washington, Victor is running for his life - and from the men who will go to any lengths to silence him. Victors story sounds like the ravings of a madman, but the haunted look in his eyes - and the bullet hole in his shoulder - tell a different story. As each hour brings pursuers ever closer, Cathy has to wonder, is she giving her trust to a man in danger or trusting her life to a dangerous man?
