

Grave Messages: Season 1x4: An Oracle Series Short Story (The Oracle Series)

Looks can be deceiving... As Eva McRayne and the crew of Grave Messages get prepared to film their live Halloween special, she learns something very important. Elliot Lancaster, her co-host and creator of the show, won't be joining them. Instead, he has tasked her to film her interactions with a single, simple doll while he films a guest spot for a rival paranormal show. But as the night unfolds, will Eva's first solo venture on Grave Messages crash? Or will she beat Elliot at his own game?
