

The Most Pleasant (Parent-Child DIY Travel in Guangdong and Guangxi) (Chinese Edition)

Guangdong and Guangxi are located in the southwest of China, surrounded by mountains and rivers with a vast seascape. The most breathtaking is the karst landform and Danxia landform. If you and your child follow the most comprehensive text instruction in this book and wander in the charming scenery, you will find that no matter the finest landscape of Guilin under the heaven, the coquettish Beihai Silver Beach and the simple and passionate folk customs in County Ji, or various garden tours of modern fashion style All of these will absolutely become the catalyst to enhance parent-child relationship and let you and your child acquire unexpected happiness and experience during the journey.
