

Once Upon A Time (Sweet Valley High Book 132)

Jessica and Elizabeth Wakefield are spending their summer as au pairs--for a royal family! When Jessica sees the beautiful European chateau where they'll be staying for the summer, she feels like she's living in a fantasy world--complete with a prince, a royal ball, and a guarded castle. Is there an evil stepmother too? Elizabeth adores her young charges at Chateau d'Amour Inconnu. The only problem child is Pierre, a 6-year-old who loves to hide from her. While trying to find Pierre one day, Elizabeth gets lost in a vast topiary maze on the castle grounds. What she discovers at the mazes end just might turn her wildest fantasies into reality!
