

The Great Thirst Part Two: Purified: A Serial Archaeological Mystery (Volume 2)

The mystery archaeologists suddenly appear and Keith learns firsthand about the quest for the Golden Testaments. He finds himself with more questions than answers. What do these people want with him?. He doesnt see how he can travel to Greece, Turkey, and who knows where without neglecting his family. The lure of ancient technology and the chance to unravel a mystery like no other cant make up for the deadly peril of an underwater attack and a terrifying phone call. Is he really ready to pay the price for preserving and spreading the Word if it means putting his family in danger?
