

Vicious Circle (The Hector Cross Novels Book 2)

Internationally bestselling author Wilbur Smith returns with *Vicious Circle*--a heart-racing story of family secrets, greed, and revenge. Hector Cross left behind a career of high risks and warfare when he married his beloved Hazel Bannock. But after his new life is tragically upended, he recognizes the ruthless hand of an old enemy behind the attack.

Determined to fight back, Hector draws together a team of his most loyal friends and fellow warriors to hunt down those who pursue him and his loved ones. For he and Hazel have a child, a precious daughter, whom he will go to the ends of the earth to protect. Soon, however, Hector learns that the threat comes not just from his old enemies, but also Hazels. Brutal figures from her familys past thought long gone are returning, with an agenda so sinister that Hector realizes he is facing a new type of adversary. One whose deadly methods and dark secrets will lead Hector to a series of crimes so shocking that he has no choice but to settle the score.
