

## In Between the Sheets

A two-timing pornographer becomes the unwilling object of one of his victims vengeful fantasies. A millionaire buys himself the perfect mistress passive, yet beautiful but the union soon becomes a nightmare of jealousy and despair. And an ape reflects on the relationship with a young female writer, mourning their fading love and musing on the fateful deceptions of art. In these seven stories of dream-like lucidity, the wasteland of the human psyche is mapped with deadly precision.
