

America in the 1980s (Decades of Twentieth-Century America)

America in the 1980s discusses the political, economic, social, cultural, and technology landscape of the United States in the ninth decade of the 20th century. Primary source quotations, engaging photographs, and a lively design bring the 1980s to life. The text supports high school history curriculum and provides students with the information they need to research reports on the decades.
