

How to Make a Living as a Writer

It's the best time on Earth to be a writer. More writers are making money today than at any other time in history. For centuries few have been able to support themselves from the quill or the keyboard alone. Not anymore. With the rise of ebooks and indie publishing there are now more opportunities than ever for writers to generate substantial income from their work. And there is still a traditional publishing industry that needs new talent to keep growing. In *How to Make a Living as a Writer*, you'll learn the secrets of writing for profit and increasing your chances of making a living wage from your work. Here are some of the subjects covered:
