

Making the Perfect Ice Rink

I have been making ice rinks for ten years and our children have always been happy to have it. They can skate and play hockey anytime they want, so I thought to share what I know in this short but informative book for people that are interested in making a backyard rink. It will save you time as well as trials and errors when building an ice rink. Chapters 1 - Choosing the Perfect Location 2 - Banks 3 - Watering Hose 4 - All About the Water You Use 5 - When to Start Watering
