

Grandma Berts Favorite Bread, Roll, Pastry, and Quick Mix Recipes (Hood and Matsko Family Cookbook - Grandma Bert)

With this newest addition in the Hood and Matsko Family Cookbook Grandma Berts Series - Book 2, author Karen Jean Matsko Hood pays tribute to her late mother, Bertha Elden Matsko Angermeier, who was well known in her family for her cooking skills. Her children and later her many grandchildren often requested Grandma Berts recipes contained in this book. Many of Grandma Bert s recipes came from her mother s home country of Yugoslavia, and others came from Grandma Berts friends and family members. This cookbook represents a collection of recipes from a lifetime of baking. This book (two of eight) contains: bread, roll, pastry, and quick mix recipes. This collection only represents a fraction of Grandma Bert s recipe library, so look for more of her collections to be published soon. This unique cookbook would make a wonderful gift for friends and family.
