

## Im Afraid of Americans: Reimagining pop culture through horror

What does: - A demonic Ronald McDonald - A psychotic dirt obsessed Mr. Clean - Well intentioned yet globally destructive robots, all have in common? They are all disturbing stories of pop culture icons rebooted in the horror genre by the twisted mind of Oldrich Stibor. Like a zombie outbreak pop culture has spread far and wide assimilating the world. These stories take some of the most recognizable characters from our cultural zeitgeist and re-casts them in a new and terrifying form.
