

In Defiance of Duty (Mills & Boon Modern)

Dare she disobey the King? Kiara Fredrick is living an ordinary life until, one whirlwind romance with Sheikh Azrin and the largest diamond ring in the Khatan desert later, Kiara discovers that not only is she a princess but she's also become public property overnight. As Azrin stands to take the throne, Kiara discovers that royal life might be enough to destroy their once strong marriage...But Kings of Khatan do not divorce - and Queens of Khatan should know better than to ask...Can Kiara remain defiant in the face of a craving hotter than the scorching desert sands?
