

## In Her Corner (Mills & Boon Superromance)

Bella Fiore has a lot to prove. For three generations her family has dominated the world of mixed martial arts a tradition Bella dreams of carrying on. Her family, on the other hand, doesn't agree. Without their support, she's relying on the coaching of medal-winning Kyle Peters. Training with Kyle is not what Bella expected. They're constantly butting heads. And with the body of a Greek Adonis, Kyle's mat technique isn't her only focus. Not that this attraction can go any further. She has a title to win! Yet when Kyle proves he's the one person Bella can always rely on, a championship may not be the only thing worth fighting for.
