

The Way by Swanns (In Search of Lost Time, Volume 1) (Vol 1)

One of the greatest, most entertaining reading experiences in any language, Marcel Proust's *In Search of Lost Time* Vol. 1: *The Way by Swanns* is published in a new translation from the French by Lydia Davis in Penguin Classics. *The Way by Swanns* is one of the great novels of childhood, depicting the impressions of a sensitive boy of his family and neighbours, brought dazzlingly back to life by the famous taste of a madeleine. It contains the separate short novel, *A Love of Swanns*, a study of sexual jealousy that forms a crucial part of the vast, unfolding structure of *In Search of Lost Time*. This book established Proust as one of the greatest voices of the modern age - satirical, sceptical, confiding and endlessly varied in his responses to the human condition. Since the original pre-war translation *Remembrance of Things Past* by C. K. Scott Moncrieff and Terence Kilmartin, there has been no completely new rendering of Proust's French original into English. This translation brings to the fore a more sharply engaged, comic and lucid Proust. As the great story unfolds from its magical opening scenes to its devastating end, it is this Penguin Classics edition of *In Search of Lost Time* that makes Proust accessible to a new generation. Marcel Proust (1871-1922) is generally viewed as the greatest French novelist and perhaps the greatest European novelist of the 20th century. He lived much of his later life as a reclusive semi-invalid in a sound-proofed flat in Paris, giving himself over entirely to writing his masterpiece *In Search of Lost Time* (*A la recherche du temps perdu*). If you enjoyed *In Search of Lost Time*, you might like James Joyce's *Ulysses*, also available in Penguin Modern Classics. The latest Penguin Proust is a triumph, and will bring this inexhaustible artwork to new audiences throughout the English-speaking world *Sunday Telegraph*
