

In the Kings Service (Warrior)

Twas said he could whisper a woman to bed, and now Sir Blaidd Morgan had turned his considerable charms on Lady Becca Throckton. But could she trust his intent? A childhood injury had made her fit to be no mans bride, and yet the Welsh warrior made her feel shed a right to her womans heart! The Lady Becca surprised him, and that was rare, Sir Blaidd mused. Indeed, she had a fire that stirred him in unexpected ways. Though he could ill afford a dalliance on this secret mission for his king, he found himself entranced. Surely this was no mere idyll. Nay, this had the feel of forever!
