

A Wholly Different Way Of Living (Krishnamurti Classics Series Book 2)

... There are various powers... You call them siddhis, dont you? Do you know that all these things are like candles in the sun? When there is no sun there is darkness, and then the candle and the light of the candle become very important. But when there is the sun, the light, the beauty, the clarity, then all these powers, these siddhis developing various centres, chakras, kundalini, you know all that business are like candlelight; they have no value at all. And when you have that light, you dont want anything else. -- Krishnamurti---
