

The Innovative Leadership Guide

Leaders aren't born. They're built. Built from 30 years of experience coaching and training leaders in the best organizations like Coca-Cola, Delta Faucet, Lockheed Martin, Alcoa, and Sanofi Pasteur, this is the nuts-and-bolts guide to what it takes to be an organizational leader in the new workplace. This 90+ page guide is rich with practical advice and ready-to-implement tips and tactics focusing on communication skills, presenting, facilitation and meetings, time management, change, innovation, team-building, conflict resolution, generations in the workplace and becoming an adaptive leader. This is a must-have guide for all levels of leadership and management within an organization. For a leader ready to raise the bar by inspiring potential, building systems of excellence and charting a course for a career in innovative leadership positions.
