

Invitation Only (Private Book 2)

Reed Brennans future is looking as bright as the two-karat diamonds in her new housemates ears. Being accepted to the most prestigious private boarding school in the country wasnt enough for Reed. She had to break every rule to do it, but she has accomplished the impossible: Reed is a Billings Girl now. And with her new status come respect, envy, and, most important, opportunity. Not to mention the parties. Unfortunately, at the next illicit party in the Easton campus woods, her roommate snaps some pictures of Reed in more than one compromising position. She uses the photos to blackmail Reed: Dig up dirt on the most powerful and popular Billings Girls or she will have Reed expelled. And speaking of parties, the Legacy is coming up. Its the invitation-only Halloween party in NYC and its rumored that Thomas -- Reeds MIA boyfriend -- will be making an appearance there. Too bad Reed isnt even close to invited. Life as a Billings Girl is every bit as glamorous as Reed imagined. What she didnt bargain for is the tangled web of private lies these girls weave.
