

Its an Aardvark-Eat-Turtle World

A gorgeous new package for Paula Danzigers backlist with an introduction from Ann Martin! What could be better? Rosie and Phoebe have been best friends since they met on the Divorce Express, shuttling between their parents on weekends. Now Rosies mom and Phoebes dad have fallen in love, and theyre all moving in together. Rosie has always dreamed of having a real family, but having Phoebe as a sister and having Phoebe as a best friend are two very different things. And having an extra parent around isnt easy for anyone to get used to. It seemed like the perfect setup, but can their friendship survive in the same house? Paula Danzigers novels are hilarious, genuine, and full of dynamic female characters that have won the hearts of her readers and turned her books into beloved classics. These playful covers full of charming details capture the spirit of Paulas stories and will brighten up the bookshelves of her fans and a new generation of readers.
