

A Daughter of the Snows by Jack London (World Cultural Heritage Library)

A Daughter of the Snows by Jack London was first published in 1902, and is London's first written novel. Jack London is credited with being one of the first American authors to make a living strictly on writing, and is one of the fathers of the American Naturalism Movement. This novel is optimized for Kindle, including an active table of contents, page breaks and the original cover art. All the Kindle go to options are enabled. Excerpt: On either side of the steamer, rows of scows received the flying cargo, and on each of these scows a sweating mob of men charged the descending slings and heaved bales and boxes about in frantic search. Men waved shipping receipts and shouted over the steamer-rails to them. Sometimes two and three identified the same article, and war arose.
