

Rebekka Franck Mystery Series: Vol 1-3

SOLD MORE THAN 300.000 COPIES! The Queen of Scream channels Wes Craven in this 3-in-1 boxed set! It's the stuff of a living nightmare... Three bone-chilling tales from a bestselling author's popular mystery series about the journalist Rebekka Franck and her friends and family.

One, Two... He is coming for you: Set in the Danish coastal town of Karrebaksminde, journalist Rebekka Franck returns to her hometown with her six-year-old daughter. She is trying to escape her ex-husband and starting a new life for her and her daughter when the small sleepy town experiences a murder. One of the kingdom's wealthiest men is brutally murdered in his summer residence in Karrebaksminde. While Rebekka Franck and her punk photographer Sune try to cover the story for the local newspaper another murder happens on a high society rich man. Now Rebekka Franck realizes that the drowsy little kingdom of Denmark has gotten its first serial killer and soon a series of dark secrets - long buried but not forgotten - will see the day of light.

Three, Four... Better lock your door: It was supposed to be a night of fun, pleasure, lust and pain for Susanne Larsen when she agreed to meet with a stranger from an S&M chatroom. She met him for dinner that later led to casual, anonymous sex at the hotel room at the local inn. But someone else showed up in the room and suddenly it was no longer a game. Zealand Times star reporter Rebekka Franck and her photographer Sune are covering the case for the newspaper and soon they find themselves deeply involved in a story of terrifying horror and ugly secrets.

Five, Six... Grab your Crucifix: The Priest is a man with a mission from God. He is to help those possessed by evil to finally become free from their stronghold. He has expelled demons for years and had great success. But there is one demon he never managed to cast out. And that demon has

now come back to get him. Rebekka Franck and Sune are on a vacation in Northern Zealand when they suddenly find themselves involved in what turns out to be their most horrifying case to this date. Scroll up and grab a copy today.
