

## Stolen Luck (The Luck Series Book 1)

Sixteen-year-old Megan Crenshaw has everything going for her, until a leprechaun shows up on her doorstep and steals all her luck. If that weren't enough, he follows her around, making sure nothing goes right. What Louie didn't count on was Megan's friends standing by her. No matter what he throws at her, they're by her side to pick her back up again. When Megan learns about Louie's ultimate plan for her family, it's a race against time to stop him before he destroys everything she cares about.
