

John Bunyan His Life Times and Work, Vol. 1 of 2 (Classic Reprint)

As I walked through the wilderness of this world I lighted upon a certain place where was a Den, and I laid me down in that place to sleep ;and as I slept I dreamed a dream. These words, which open for us the story of the Pilgrim, suggest to the majority of its readers the culminating point of interest in Bunyan slife. It may be well, therefore, to try to settle, if we can, the place of the den and the time of the dream. That the Pilgrim s Progress was written in prison we have on the highest authority of all, that of Bunyan himself. When the third, which was the first complete, edition of the book appeared in 1679, by the side of the word den in the text he placed the explanatory words the Jail in the margin. This evidence is of course conclusive, even if we had not, as we have, contemporary testimony to the effect that the Dream was a prison book. But the inquiry is not without interest as to what gaol it was and to what imprisonment these words refer.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
