

Justice: The Tainted Realm Trilogy, Book 3

The once beautiful land of Hightspall is being carved up by warring armies led by figures from out of legend. One army is headed by the charismatic brute, Axil Grandys, and the other by Lyf, resurrected sorcerer-king and Axils ancient nemesis. Only the escaped slave Tali and her unreliable magic stand in their way, but Talis gift grows more painful every time she uses it. As the armies converge on the fateful peak of Touchstone, Tali and her ally Rix must find a way to overcome Lyf and prevent Axil from using the Three Spells that will destroy Hightspall forever.
