

The Kingdoms and the Elves of the Reaches (Signature Illustrated Edition, Keeper Martins Tales Book 1)

The journey begins! The Kingdoms and the Elves of the Reaches is a refreshingly unique fantastic adventure where its only limits are the limits of your imagination. Inside you'll discover the breathtaking world of Ruin Mist where the mystical and the magical abound. To heal the lands and restore the light, the great kings decreed that magic and all that is magical shall be cleansed to dust. The cleansing raged for so long that few could recall a time without it and it is in this time that the Dark Lord Sathar returned from the dark beyond. The one hope of the peoples of Ruin Mist was Queen Mother, the elf queen of old. She saw a way out of everlasting darkness, a path that required the union of the divided peoples. This powerful fantasy novel will delight the young and the young at heart. Inside, you'll discover the breathtaking world of Ruin Mist where the mystical and the magical abound, and you'll fall in love with three heroes: a boy who would become a mage, a princess who is fleeing a dying kingdom, and a warrior elf who undertakes an epic journey. Three heroes set out on an epic journey of discovery only to find that at the end of their journey nothing is what they thought it was and that their world and themselves are undergoing a transformation that will change everything. Survival in a changing world depends on their ability to adapt and if they fail, their world and everything they believe in will perish.
