

## Keeper of the Night

A powerful new novel from the award-winning author of *When Zachary Beaver Came to Town*. Isabel's mother died peacefully. At least that's what Isabel likes to think since no one will talk about the truth. But the truth has a way of revealing itself at night. Ta`Ta sleeps curled up on the floor right where Mamas body was found. Olivia wets her bed and wakes repeatedly from nightmares, and Frank starts carving his anger into his bedroom wall. Its up to Isabel to help her family get beyond the pain and lossto be the keeper of the night. But who will be there for Isabel and help her through to the other side?Set on the lush island of Guam, Kimberly Willis Holt has written a painfully beautiful story about a young womans struggle to protect her family after suicide hits home.
