

Killer Weekend (Sun Valley Series)

Eight years ago, in Sun Valley? snowcapped playground for the wealthy and ambitious? all that stood between New York State attorney general Elizabeth Shaler and a knife-wielding killer was local patrolman Walt Fleming. Now Liz Shaler returns to Sun Valley as the crown jewel and keynote speaker for billionaire Patrick Cutters world-famous C3, a media and communications conference where the richest, most powerful business tycoons converge. The attorney general, a political lightning rod, is expected to announce her candidacy for president. Its a media coup for Cutter? but a security nightmare for Walt Fleming, now the county sheriff. As C3 gets under way, authorities learn of a confirmed threat on Shalers life, and various competing interests? the Secret Service, the FBI, Cutters own security forces? begin jockeying for jurisdiction. Beyond the logistical nightmare that the conferences extravaganzas represent for Sheriff Fleming, he must also contend with a raft of other local concerns: his nephews arrest, his wifes infidelity, the death of a socialite under suspicious circumstances, and a series of apparent maulings by a cougar. Each of these incidents comes to a head just as Shalers assassin puts his chillingly precise plan into action.
