

King Arthur and His Knights of the Round Table

This work is based on *Morte d'Arthur* written by Sir Thomas Malory. This story, which has so deeply impressed itself upon the hearts and minds of men, centers on the shadowy but heroic figure of Arthur, king of the Britons in the 5th or 6th century. It has flowed over time by being told by various authors, and on this current it carried the elements of all the influences and ideals that were gradually determining the nature and standards of the English-speaking world. Handsomely illustrated.
