(Russian Edition) Boris Pasternak - All Additional Poems From The Novel Doctor Zhivago by Yuri Zhivago As Author (Russian Edition) Boris Leonidovich Pasternak; 10 February [O.S. 29 January] 1890 30 May 1960) was a Russian poet, novelist, and literary translator. In his native Russian, Pasternak's first book of poems, *My Sister, Life* (1917), is one of the most influential collections ever published in the Russian language. Pasternak's translations of stage plays by Johann Wolfgang von Goethe, Friedrich Schiller, Pedro Calderon de la Barca, and William Shakespeare remain very popular with Russian audiences. Outside Russia, Pasternak is best known as the author of *Doctor Zhivago* (1957), a novel which takes place between the Russian Revolution of 1905 and the Second World War. Due to the novel's independent-minded stance on the socialist state, *Doctor Zhivago* was rejected for publication in the USSR. At the instigation of Giangiacomo Feltrinelli, *Doctor Zhivago* was smuggled to Milan and published in 1957. Pasternak was awarded the Nobel Prize for Literature in 1958, an event which both humiliated and enraged the Communist Party of the Soviet Union, which forced him to decline the prize, though his descendants were later to accept it in his name in 1988 (Russian Edition) Boris Pasternak - All Additional Poems From The Novel Doctor Zhivago by Yuri Zhivago As Author (Russian Edition)
