

Best Friends 2 First Summer

Sometimes when you love someone you may be asked to do things that make you uncomfortable. I don't like the way Mindy is looking at me. She leans close and whispers in my ear. Do you want to sing a song with me? Pleeeeeease? I don't know how to sing. What about that song you like that your dad plays sometimes, you know that Marie Osmond and Dan Seals song? I don't know. How does that thing work anyway? They show you the words to the song on a screen and you sing to the music. Before I know what is happening she is out of her chair dragging me up to the stage. It's a good thing she knows how this thing works, wait a minute scratch that, no it's not. Anyway the music starts playing and I see the words coming up on the screen but I can't make any sound come out of my mouth. Join Eddie, Mindy and their growing group of best friends for their latest adventures and learning experiences as they grow closer together on their journey toward adulthood.
