

Passion Creek (The Layton Family) (Volume 3)

Uptight history professor Sam Layton may have the abs of a movie action hero, but he stopped believing in the joy of adventure a long time ago. However, when a one-night stand with a tattooed bombshell leads to a treasure map for the long-buried Rebeccas Bounty, the call to action is too strong to ignore. All Las Vegas cocktail waitress Josie Winarsky wants to do is paint. But when she lands smack dab in the middle in a mob plot, she has to push aside her dreams to find a treasure in Dry Creek, Nebraska and save her family from harm. With Sam at her side and a Vegas loan shark on her tail, the treasure she finds turn out to be much more valuable than emeralds and rubies.
