

Chats (French Edition)

Il ny a pas de chats ordinaires. Il y a des chats malheureux, des chats obligés a la dissimulation, des chats meconnus, des chats quune inguerissable erreur humaine distribue a des mains indignes, des chats qui attendent, leur vie durant, une recompense qui ne viendra jamais: la comprehension et la pitie. Mais tant de misere et de malchance ne suffisent pas a former un chat ordinaire. La castration meme ne ravale pas le caractere du felin domestique. Kiki-la-Doucette, parfaitement neutralise des son jeune age, navait subi quune diminution physique. Une gaite intacte illuminait ses yeux verts de magnifique batard raye, a poils tres longs, avec un peu de blanc au long du ventre. Il chassait et combattait; les matous campagnards apprirent vite a craindre la strategie quil inventa: bloquant un chat au bas dun etage de cave, Kiki-la-Doucette prenait son elan et sabattait sur son ennemi en planant comme un polatouche. Chaque chat rencontre ma fourni lexemple dune vertu personnelle, et donne a croire que javais a peindre, chaque fois, un chat qui ne fut ne, qui neut vecu que pour moi. A tant de lignes survivront peu de pages. Il meritait mieux, lanimal a qui le createur fit le plus grand ?il. Le plus doux pelage, la narine supremement delicate, loreille mobile, la patte sans rivale et la griffe courbe empruntee au rosier; lanimal le plus traque, le moins heureux et, comme dit Pierre Loti, la bete la mieux organisee pour souffrir. Je nai guere cesse de chanter le chat. Mon los sans doute ne prendra fin quavec moi-meme. Une grande vague, qui nest point affaire de pusillanime tendresse, me mene, me ramene a lui; cest que souvent le chat, de par sa predilection et sa fidelite, ma semble encore plus soucieux de moi que je netais occupee de lui.
