

Lifestyle Entrepreneur: Live Your Dreams, Ignite Your Passions and Run Your Business From Anywhere in The World

Make Money Doing What You Love, Even in Tough Times Lifestyle Entrepreneur is the result of having lived a non-traditional life. In my twenties, I launched five businesses and sold the last two. I have been in a rock band touring America, and Ive been flown around the world as a professional dating coach. I have traveled to and lived in over twenty-five countries, learning the local languages while there. I feel very blessed to have friends all over the world, a family that loves me at home, and generally able to live the life that Ive always dreamed of. But this book isnt about me. Its about you!

If you take only 10 percent of the information and ideas in this book and put them into practice, it will change your life. I promise. Lifestyle Entrepreneur contains the essence of everything Ive learned over the last ten years of starting businesses, traveling the world, and exploring the things Im passionate about. Now I would like to share a blueprint for how you can do all of these things and more. Are you ready?
