

Little Truff and the Siamese Cat

A MODERN ANIMAL STORY WITH HUMOUR, HORROR AND ADVENTURE FOR ALL GENERATIONS Little Truff, a cute Cavalier King Charles Spaniel, has a new friend Chloe, a highly intelligent yet mischievous chocolate point Siamese who's just moved in next door to the Nelson family. Late one afternoon, David takes Little Truff for a walk to the dairy to buy some milk and ties the Cavalier to a lamppost. Chloe trots along too, but she's distracted elsewhere when a dark shadow looms over Little Truff. It's Don Cameron, the dog's former abusive owner. He kidnaps Truff, and as they drive off, she sees David come out of the shop. In desperation she scrabbles at the window to get his attention but to no avail. Little Truff is taken a long way from home but why? Where is Don Cameron taking her? Will she ever see her family or Chloe again? Little Truff and the Siamese Cat is a very moving story about the importance of friendship and respect between animals and humans. Told with humour, adventure and compassion, it is the second in a series of four books about animal issues.
