

## Losing Emma (A Divisa Novella): A Divisa Novella)

Emma Deen was no stranger to being the new girl. The word roots weren't in her family's vocabulary. So when she found herself a junior at Hall High the last thing she had expected was to be drawn to the magnetic Travis Winters. Those turquoise eyes and irresistible dimples tugged at her heart. Dancing used to consume her world until Travis. Being half-demon was no picnic in the park. Friends were sparse, his love life was tricky, and he was always in constant danger. Even though Travis tried to keep his distance, Emma made it impossible for him to ignore her anymore. And his life took on a new meaning. Hopeful. Tempting. Love. Travis's dark secret would not only throw them in danger, it would also change their lives. Neither of them knew what being together would lead to.
