

The Louisiana Purchase in American History

THE LOUISIANA PURCHASE
IN AMERICAN HISTORY

The Louisiana Purchase nearly doubled the size of the young American nation. . . . After its boundaries had finally been settled, the Purchase contained about 828,000 square miles. Today, the lands acquired under the Purchase still make up a huge portion of the continental United States.

—excerpt from text

Ann Graham Gaines

Describes the events leading up to the Louisiana Purchase and its impact on United States history.
