

The Love Letters Series: Box Set

Two stories of twin sisters whose letters go astray. This BOX SET contains A GIFT FOR LARA and A GIFT FOR FIONA. A GIFT FOR LARA: Lara Robinson wrote a love letter four years ago, but received no reply. Now the man to whom she gave her heart will visit Blythe Manor for Christmas. How can she enjoy the holidays knowing Miles Greystoke must despise her for revealing her feelings in such an unguarded fashion? As an awkward youth, Miles fell in love with a kindred spirit but his love was unrequited. Against his wishes, he is now obliged to spend the holidays at Blythe Manor. Time has wrought changes in his physique, but his devotion to Lara Robinson has never wavered. He searches for the perfect present to show her how he feels, but nothing seems quite right until he realizes the best sort of gift will embrace the true meaning of Christmas. A GIFT FOR FIONA: With one sister married and another soon to be engaged, Fiona worries she will be the last Robinson girl on the shelf. She pins her hopes on a handsome viscount, but his unexpected and public proposal to another girl hands her a stinging and demoralizing defeat. A new acquaintance awakens all her senses until she realizes she is related to the girl who stole her beau. On the heels of her humiliation, should Fiona instead consider marriage to a much older man whom she could never love? Fiona's unconventional, earthy looks and mischievous personality appeal to Rory Braithwaite much more than any other woman he has ever met. Unfortunately, his sister has been the means of ruining Fiona's happiness. Can he convince Fiona of his sincerity before she makes a mistake she will regret for the rest of her life and his?
